

CLEAN TECHNICIANS

CHAMPION™

by DeVilbiss
NIOSH Approved Disposable – OV/N95

- Trusted DeVilbiss quality
- Comfortable protection
- Maintenance free

#803611 - Medium
#803612 - Large

REUSABLE COVERALL

- Lightweight durable nylon front
- Breathable, cool cotton back
- Washable/reusable

#803596 - Medium
#803597 - Large
#803598 - XL
#803599 - 3XL

DISPOSABLE COVERALL

- Disposable
- Lightweight and comfortable
- Meets OSHA requirement

#803671 - Medium
#803672 - Large
#803673 - XL
#803674 - 3XL

REUSABLE LAB COAT

- Lightweight durable nylon
- 3 pocket design
- Washable/reusable

#803664 - Medium
#803665 - Large
#803666 - XL
#803667 - 3XL

CLEAN PAINT PREP

DIRT CONTROL FLOOR COAT

Reduce buffing and increase throughput

- A must for waterborne shops
- Shops observe a reduction of airborne particles in spray booth of up to 50%
- Neutralizes particles electrical charge so they stick to the floor, not the vehicle

#803491 - Dirt Control Floor Coat (5 Gallons)
#803492 - 2-gallon Pump Sprayer

BOOTH WALL COAT

Water-based formula

- Lasts 500 bake cycles or 6 months
- Easy to apply - spray on
- Fast removal - peel off
- Use on painted or galvanized metal surfaces

#803668 - 4 gallons per case

DE-WIPE OUTS

Pre-saturated prep wipes

- Eliminates static that attracts dirt
- Great for waterborne finishes, plastic parts and bumper covers
- Proprietary formula meters solvent for optimum cleaning

#803045 - Normal Climates Formula 50 wipes/pouch
#803046 - Dry Climates Formula 50 wipes/pouch
#803418 - Low VOC Formula 50 wipes/pouch
#803048 - Storage case w/lid gasket & snap closure

BUMPER PREP PAD

All-in-one bumper prep

- Clean, degrease and abrade in one easy step
- Removes mold release residues found in OEM bumper covers
- Removes both water-based and oil-based contaminants
- Prepares surface for paint adhesion
- Individually bar coded for job costing

#803557 - 12/box

ANTI-STATIC WIPER

Reduce static related issues

- The final step between basecoat and clearcoat
- Helps reduce orange peel and improve metallic orientation
- Non-marring, lint-free and reusable
- Individually bar coded for job costing

#803553 - 12/box

PAINT PREP WIPES

Pre-clean prep wipe

- Strong absorbent, virtually lint-free non woven wipe
- For use with water-based and solvent-based surface pre-cleaners
- Production oriented 1/4 fold format

#803657 - 300 wipes/dispenser box

CLEAN REPAIRS

SHIM-MASK

Stainless Steel Masking Stencil

- Helps prevent sanding and shaving rub-through
- Saves time and improves repair quality
- Minimizes repair area to prevent cover processing

#803654 - 3/pk.

TACK WIPES

Cotton or Polyester

- Low tack and moderate tack formulas
- Residue-free
- Individually bar coded for job costing

#803816 - 12/box Cotton - moderate tack
#803817 - 12/box Polyester - low tack
