Regulatory Manager

Dear Sir:

Re: Request for the ITW Tekna Spray Gun with 7E7 Air Cap to be Sold and Operated in Metro Vancouver

Further to your recent correspondence with our office regarding the ITW Tekna spray gun with a 7E7 air cap, based on the information provided the ITW Tekna spray gun with a 7E7 air cap complies with section 14.1 of the Automotive Refinishing Emission Regulation Bylaw No. 1086. Under this section of the bylaw, this spray gun is considered acceptable as an alternate spray system with a transfer efficiency equivalent to or greater than an HVLP spray system.

If you have any other questions or comments, please contact Mr. Don Miller at (604) 436-6890.

Yours truly,

A handwritten signature in black ink, appearing to read "Silvano Padovan".
